# TEPPICHGRÖßen

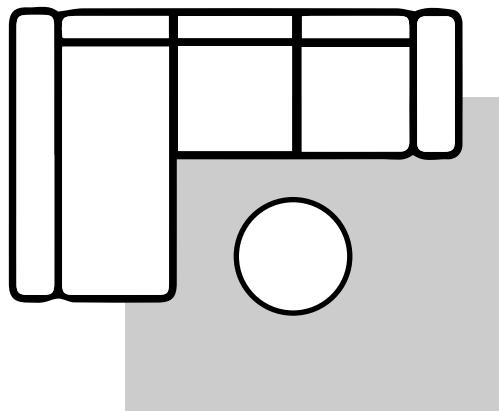

**ARTISCARPETS**

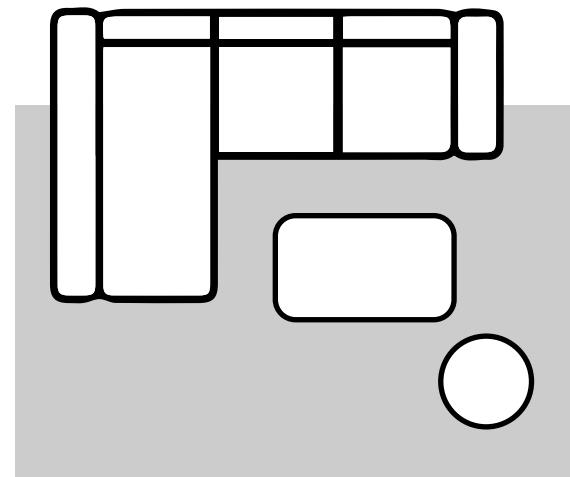

Größe zeigt Wirkung. Material, Farbe und Design geben dem Teppich Charakter, aber seine Größe entscheidet, wie er den Raum verändert. Nicht die Quadratmeter allein zählen. Sondern das Zusammenspiel mit allem, was ihn umgibt. Ein Teppich kann ein Statement setzen, einen Raum rahmen oder ihn leiten. Und manchmal auch alles gleichzeitig.

(02-05) Wohnzimmer, (06) Esszimmer, (07-08) Schlafzimmer
